

HSE POLICY

REINERTSENs goal is zero accidents, serious incidents, loss or damage to humans, equipment or the environment.

REINERTSEN shall be among the best contractors within HSE.

REINERTSEN shall improve efficiency and profitability through serious and continuous work within HSE.

In REINERTSEN HSE is a line management responsibility, and all employees shall work in accordance with the company's HSE methods and procedures.

REINERTSEN is working to ensure a proper environmental quality in all aspects of business, in accordance with governing laws and regulations.

Facilities, documentation and IT-systems shall be sufficiently secured.

REINERTSEN has no tolerance for the use of illegal drugs or alcohol during work, or use of drugs or alcohol that affects the work.

REINERTSEN work to ensure a safe and productive working environment providing a healthy and meaningful workplace where no one is harmed by the work being executed.
